# CACTUS CAR MODELERS

Phoenix, Arizona

August Winner Raoul Coulombe

2013 Champion Tom Neu

*Happy Birthday to Us!*

**August-September 2013**

## Editor's Notes...

The next meeting of the Cactus Car Modelers is on **Wednesday October 9** at **Dan Baker's** house at 2404 W. Blue Sky Dr Phoenix 85085. Dan's phone is 480-540-3608. The Theme is **Builder's Choice**, so let's load up the table!

I'm sorry for not getting a newsletter done for last month, I was leaving for 9 days in the High Sierras and just ran out of time (which is a nice way of saying I forgot about it until it was too late). This is a combo issue, and thanks to Dale for the pix and info.

We need volunteers for meeting locations, as we're only set through November. Please come up with a date that works for you and let us know at the meeting.

The **IPMS Modelzona** contest is **Saturday November 2**, and everyone is encouraged to attend and participate. You do NOT have to be a member to enter a car. Traditionally we've done well in their contests, showing off our considerable skills - let's keep up the tradition! Remember, we're a sponsor, too!

Members, this is YOUR Newsletter - if you have something you'd like to see, or would like to contribute a build article or anything, let me know. I would SURE like some suggestions that reflect your ideas and wants. STILL LOOKING for a few kit reviews from our members!
